

BIZBOX

PRIVACY POLICY STATEMENT

This notice provides highlights from **BIZBOX** Privacy Policy document, which is available by e-mail.

PERSONAL OR COMPANY INFORMATION POLICY HIGHLIGHTS

When you register with **BIZBOX** support programme, we may ask you to provide information relevant to your application in order to ensure that our response is fully appropriate. Any information that **BIZBOX** collects may be combined with information obtained from other internal services and external companies, but at no time will this be shared with third parties.

We use the information collected to provide the support and services you request. Our services may include the display of personalised content and advertising that you commission for use within your business.

We may use cookies and other technologies to keep track of your interactions with our sites and services in order to offer a personalised and enjoyable experience.

We may use your details to inform you of other products/services offered by **BIZBOX** and its affiliates and to send you relevant survey invitations related to the support programme that you have signed up to.

Clients can stop the delivery of promotional emails from any of the company's websites and or support services by notifying us of your request by e-mail.

Your personal information is available to view by requesting a copy of your application by e-mail. At any time registered users may e-mail us and we will send you a copy of all the information we hold about you and or your company.

We do not sell, rent or lease our customer lists to third parties. However, in order to help provide our services we may need to provide specific information to other companies that might be contracted to you on our behalf.

FURTHER INFORMATION

BIZBOX full online Privacy Statement contains links to supplementary information about specific **BIZBOX** sites or services.

All credentials (e-mail address and password) used to sign in to any of **BizBox** sites and services will be part of **BIZBOX** Passport Network, a future enhancement that will be managed by the parent company **BIZBOX LTD**
